

Mission:

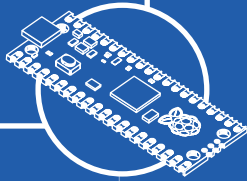

The Blueprint to Your Light Show

After assembly, your Light Show can be used with **Piper Make** or with your **Command Center**.

PIPER MAKE

To use your Light Show with the Raspberry Pi Pico as a part of **Piper Make**, head over to [MAKE.PLAYPIPER.COM](https://make.playpiper.com) to get started with your Light Show!

GAMERS BUNDLE

To use your Light Show with the Arduino Micro with your **Command Center**, head over to [PLAY-PIPER.COM](https://playpiper.com) and access the Command Center Portal from the "How To Guides" Menu.
